MUNIYAL[®]
A Y U R V E D A

Since  1939

Muniyal Institute of Ayurveda Medical Sciences, was established with a vision to impart the knowledge of Ayurveda to one and all. The institute imparts quality education in Ayurveda to bring out competitive Ayurvedic physicians, teachers and research scholars. The college runs B.A.M.S. course and PG course in Kayachikitsa, Panchakarma, Shalya Tantra, Rasashastra, Bhaishajya Kalpana and Dravyaguna Vijnana. The institute is run by Dr. U. Krishna Muniyal Memorial Trust(R), established to revive the treasures of ancient Indian wisdom.

Dr. U. Krishna Muniyal Memorial Trust, established in 1991, has devoted itself in the field of Ayurveda by undertaking cultivation & preservation of rare medicinal plants, research in Ayurveda, developing treatment for chronic & incurable diseases, establishing speciality Ayurveda hospitals, running under-graduate and post-graduate courses in Ayurveda, propagating ancient herbal gardens, establishing a literary division to bring out ancient Ayurvedic scriptures, reviving ancient Indian wisdom, and spreading Ayurveda awareness all over the world

Muniyal Ayurvedic Research Centre is involved in design and development of scientifically validated highly effective Ayurvedic formulations for clinically challenging illnesses by adopting stringent quality control methods.

The Research Centre, manufactures more than 52 licensed, proprietary, human and veterinary research products, and 150 classical ayurvedic products, for ailments like diabetes mellitus, cancer, retropositive conditions, parkinsonism, kidney disorders, cardiac ailments, amoebiasis, etc. and are duly registered with the Drug Licensing Authority, Dept. of AYUSH, Karnataka, with GMP Certification for its medicine manufacturing unit.

॥ स्थूलेषु ताक्षर्य ॥

Dear Teachers, PG Scholars & Students,

It is our pleasure to invite you to **"Colloquy-Tarkshya"**. Our colloquium includes lectures by eminent personalities in the field, followed by interaction after each session.

- This CME is based on the various prospects of cases concerned with **"Dyslipidemia"** conducted by departments of Kayachikitsa & Panchakarma.
- Experts in their respective fields will come out with scientific deliberations which are great opportunities to enrich our knowledge in the subject. This day of **"Colloquy-Tarkshya"** will certainly be useful to all the academicians and research scholars including students of Ayurveda.
